To

B. Srinivasa Iyengar, Esq., B.A., B.L.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

Sir,

In submitting herewith copy of letter No.O.C.526/21-22 - dated the 14th December 1925 received from the Deputy Commissioner Tumkur District in the matter of grant of certain lands as Inam -- to the temple of Sri Ranganathaswami at Tharati, Kortgere Sub --- Taluk I have the honor to state that an extent of 1 acre and 6 -- guntas of land out of the two inam lands bearing S.Nos.50 and 56 endowed to that temple was acquired for the use of the tank bed of Agrahar tank and for forming a road and a compensation of Rs.29/- was awarded. This amount was deposited in the Government Savings bank account. The jodi on the portions of the land acquired was however continued to be paid by the archak. The latter was not paid any interest on the compensation amount awarded. It was proposed to select a suitable land to be given in exchange for the land acquired. S.No.137 dry of Tharati village (assessed waste) measuring A-G 1-8 and assessed at 1-12-0 has been now selected. The villagers have no objection to the grant of the land to the ----- institution. The present value of the land is estimated at Rs.40/.

In view of the fact that the archak has been paying full -- Jodi on the lands the Deputy Commissioner recommends that S.No.137 selected by the archak which is almost of the same extent as that acquired may be granted as Inam to the temple and the compensation amount of Rs.29/- which is in the Savings Bank deposit with its -- up to date interest credited to Government for the value of the land

Please

proposed to be given as inam.

I request that the Deputy Commissioner's recommenda
kindly sanctioned.

Enclosures received with the Deputy Commissioner's letter --
referred to above are herewith submitted for reference and kind ---
return.

I have the honor to be,

Sir,

Your most obedient servant,

J. Ramaswamy

O.C.526/21-22 dated the 14th December 1925 from the Deputy Commissioner, Tumkur District to the Muzrai Commissioner in Mysore.

"I have the honor to forward herewith a file of correspondence - ending with the Koratagere Deputy Amildar's No.I.C.216/ 1925-26 dated 9-11-1925, requesting the grant of lands as Inam to the Temple of Sri Ranganathaswami at Tharati in the Koratagere Sub Taluk in exchange of temple Inam lands acquired for forming the Tumkur - Maddagiri Road and for the tank bed of Agrahara tank and to state as follows:--

It will be seen from the records that an extent of one acre and 6 guntas of temple inam lands as detailed in the*margin has been -----

1. 0-32 guntas out of S.No.50 dry-extent 2-6 assessment 2-0-0 for the tank bed of -- Agrahara tank.	acquired for public - purposes on payment of compensation. The -- amount of compensation viz. Rs.29/- said to
2. 0-14 guntas out of S.No.56 dry, extent 0-38 assessment 1-0-0 for forming -- Maddagiri-Tumkur road.	
1-6- guntas - total extent acquired.	

have been awarded for the acquisition of the said temple lands, has -- been deposited in the Government Savings Bank in the name of the deity through the Deputy Amildar of Koratagere and no interest has been --- calculated on this sum till now from the date of its deposit viz., --- 26-7-1902. The Savings Bank Pass Book No.316 is enclosed in the file. The full amount of Jodi on these two temple lands amounting to Rs.0-14-0 is reported to have been levied from the archak of the temple even to this day. On the representation of the archak of the temple praying % that the interest accrued on the amount of compensation awarded and kept in the Savings Bank deposit in 1902 may be paid to him for his maintenance an order was issued from this office in 1910/- requesting the Sub Division Officer to select a suitable land so that the same might be purchased - from the aforesaid compensation amount and left in the possession of the archak, the khate thereof being made in the name of the God.

Then Survey Number 137 dry (assessed waste) measuring 1 acre and 8 guntas and assessed at Rs.1-12-0 in the same village(Tarati) was -- selected and recommended by the Sub Division Officer to be given to the temple and the archak also agreed to have this land. There is no -- objection of any kind by the villagers to the grant of this survey number to the temple. But one Balakrishna whose name has been entered in the Sud Patrika of the Survey Records, objects to the grant of the said -- Survey number on the ground that he had put up the boundary marks of - this land when it was surveyed and phoded. This man when required --

required by the Deputy Amildar to give his statement in has failed to appear before him though a notice was duly served him, and the villagers have stated in their mahazar dated 17-1-1920 that Balakrishna's objection is groundless. The Deputy Amildar .. also reports that no boundary mark is visible on the land at present. Balakrishna's objection is untenable..

The land is reported to be overgrown with lantana. It contains malki as noted in the margin, the value of which is estimated at Rs.2-8-0. It is fit for only dry cultivation and the value of the land is estimated at Rs.40 only by the villagers. The land was originally included under "A" List calculating the malki value of the date tree at 0-4-0. But as the date tree is fit tapping the present malki value thereof may be calculated at Rs.2-12-3 the prescribed rate for tree and the land --- presumed to belong to "B" list.

Kind	No.	value
1. Ale Plant	1	Nil
2. Date for tapping	1	2-0-0
3. Honge tree	1	0-4-0
4. do young plant	1	Nil
5. Muttuga tree	4	0-4-0
		2-8-0

In these circumstances and in view of the fact that the archak has been paying full jodi on the Inam lands and that no compensation has actually been paid till now either to the benefit of the temple - or the archak thereof in lieu of the portion of temple Inam lands ex acquired for public purposes mentioned in para two supra, I consider that S.No.137 of Tarati village, which is almost equal to the extent of temple land that has been acquired, may be granted as Inam to the temple in question and the amount of the compensation awarded and kept in the Savings Bank created to Government with its up-to-date interest earnings, as the value of the land proposed to be given as Inam is only Rs.40/-. I request therefore that you may be pleased to move Government in the matter and obtain their kind sanction thereto."
